Shows that the Lodge revenue has been restored to Govt. Admittedly the Inam settlement (the final orders of the Inam Supdt) also restores it to Govt. Though a shed exists in the village the Inamdar has not admittedly enjoyed its revenue at any time. The present claim is therefore to be disallowed. Submitted with a draft accordingly for a full or other orders.

Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

I have the honor to submit herewith the records connected with the enquiry into the claim of the Inamdar to the Excise Revenue of Somanathapura village in the T. Narsipur taluk received with the Deputy Commissioner's Memo No. 144, dated the 9th September 1910, together with an extract from the Inam Register of enquiry obtained from Superintendent of the Inam Settlements in Mysore.

2. The only document in the records that speaks of the alienation of the toddy Revenue to the Inamdar is his own statement - - before the investigating officer and in the absence of corroboration no value can be attached to it. As will be seen from the extract from the Inam Register of enquiry all rights to Abkari are reserved. Neither the Sannad or any proof of enjoyment is produced.

3. Under the above circumstances I concur with the investigating Officer and the Deputy Commissioner in rejecting the claim of the Inamdar to the toddy Revenue and request that Government may be pleased to pass orders to treat the existing shop of the village as belonging to Government.

I have the honor to be,

Sir,

Your most obedient servant,

Buamdaram

--------@@@@@@---------

I have the honor to submit herewith the calendar setting forth the details of investigation held and the finding recorded by me in the case of the Inamdar's claim to the Excise Revenue from toddy of the jodi village of Somanathapura in the T. Narsipur taluk and to -- request the favour of your opinion and forwardal of the papers to the Excise Commissioner in Mysore. The Jodidar of the village having been reported to be one Rangachar a resident of Ukkalagere in the T. Narsipur taluk, summons were issued on the party calling upon him to present himself before me with the necessary documents in substan--tiation of his right and title to the toddy Excise revenue of the village. He appeared accordingly on the 1st Instant and was examined on the main points bearing upon the case.

2. He made it plain at the outset that he was not anxious to press the claim. The sannad, he said, had alienated the right but this and even the decree of the Inam Settlement, whatever it might have been, were of no avail to him for the reason that never at any time since he came of age did he enjoy the privilege of the right. And he was sure that he had no record with him to prove the enjoyment of his predecessors in title.

3. There is a current working toddy shop bearing the name of the -- village and it was mainly to find out whether there could be any -- justification for treating this shop as an Inam shop, that the present enquiry was held agreeably to the Excise Commissioner's docket No. 4863, dated the 7th December 1909. It is obvious from what I have stated above that the right to the toddy Excise revenue of the -- village is not established in favour of the Jodidar and, therefore, the toddy shop should be removed from the list of Inam shops and --
